

CREATIVE MEDIA TEAM PROJECTS

Government Organization Website Development

As a government organization, transparency is required in every aspect of the government institution. This project provides agencies of the government a tool to make projects of the government open to the public to ensure implementation.

Municipality of Carmen

Hotel Website Development

These entities are experts in accommodation industry in Davao City. Their respective website developments are projects primarily to promote their services to the worldwide market especially for tourists who are eyeing Davao City as their next top tourist destination. They also include online reservation, booking and help desk 24/7.

La Anclar Dormitel

Manor Hotel

Jogue's Apartelle

Travel and Tours Agency Website Development

This project provides a 24-hour online support for users looking for travel packages. Travel and Tours Agency provides a worldwide coverage. On the other hand, agencies can outsource all their services to worldwide market. This also affords convenience both for local and international tourists.

Travel Advantage Tours Davao

Par Travel and Tours

Mt. Apo Travel and Tours

Private Organization Website Development

This project provides members of a legally constituted private organization to pursue a wider social aim in the worldwide market. The websites for private organizations aim to have a comprehensive recognition from international scene.

Davao Travel and Tours Association

Davao Dental Society
